Reminder for All Agencies

CalMHSA provided start-up funds in January that were equal to December's payroll, assuming all staff were full-time. You will not be reimbursed again for these costs. Please remind your fiscal staff of this.

Contracts end December 31, 2023

We have asked DHCS is we can extend your contracts, are waiting on their reply.

We estimate that ten of our subs will expend all of their funds by February 29, 2024.

DHCS has not been encouraging on providing additional funds.
