

Medi-Cal Peer Certification Stakeholder Advisory Council Member

Gayle Wiler | Sacramento County

One of the first family peer leaders hired to work in mental health system of care providing wraparound and permanency services to youth and their families involved in residential and juvenile justice services. Her lived-experience and paraprofessional journey as a peer advocate has spanned the adult and child systems and the emerging peer support workforce within systems, contracted providers, and peer and family run community-based organizations. Today, as a certified peer, Gayle continues to advance policies and practices of peer delivered support and recovery services statewide to meet the needs of children, youth, adults and their families.
