

# Collaboration on BHQIP Reporting Yields Results for Counties

Most counties that worked with CalMHSA on the CalAIM Behavioral Health Quality Improvement Program (BHQIP) saw improvements in the process toward their incentive payments from the Department of Health Care Services (DHCS).

FOR THE SEPTEMBER 2023 MILESTONE 3D SUBMISSION, CalMHSA REVIEWED:

**57** Performance Improvement Projects (PIPs) across **22** counties

PIPS REVIEWED BY CalMHSA HAD A HIGHER ACCEPTANCE RATE FROM DHCS:

**93%**  
received minimal to no requests for additional information

COMPARED TO JUST

**61%**  
of the PIPs not reviewed by CalMHSA

TO HELP COUNTIES MEET THEIR MILESTONE 3D REQUIREMENTS, SINCE SEPTEMBER 2022, CalMHSA HAS PROVIDED:

**25**

webinars/office hours

**232**

individual one-on-one county consultations

**240**

descriptive analysis reports to support data-informed decisions around PIP interventions and stakeholder engagement

Multiple resources that help counties select PIP interventions, develop key performance indicators, complete an equity analysis and monitor PIP progress over time
