About the Workshop

Join CalMHSA's EHR team for this in-person conference featuring tools you can use during this time of behavioral health transformation. Sessions are designed to address changes and requirements in behavioral health — with an emphasis on practical tips, tactical guidance, and real-world approaches to using SmartCare.

Learn, Engage, and Explore:

- Datapalooza: Making BHSAs Work for You
- ISL: Cracking the Code on Reporting
- The Future of Care Coordination
- Interoperability Milestones & Solutions
- Measuring Effectiveness of AI Tools
- All Things ASCMI & Early Adopter Reflections
- Patient Portal Options in IntelliChart
- Counting Homelessness Under BHSAs
- Enabling Multi-Factor Authentication
- Enhanced Insights With Dashboards
- Fiscal Tools for BHSAs Initiatives
- AI-Assisted Note Taking Demonstration
