Virtual Events

- Many organizations hosting virtual events submitted general website links as their event “venue” rather than a link that takes users directly into the webinar or online event.
- If your organization submitted a link that does not lead directly to the webinar or online event itself (for example, a Zoom meeting link), please ensure that the link clearly directs potential attendees to the webinar or online event no later than **April 3rd**.

Survey Webinar - Save the Date!

- The Take Action LA survey webinar will be held on **April 9 from noon-1p.m.**
- As a reminder, your organization must have a representative attend the webinar in full.
- A meeting invite will come shortly.

Kick Off Meeting

- A meeting invitation has been sent for the Take Action LA Kick Off meeting on **April 16**. We’re excited to meet you in person!
- A single representative from each organization should attend and come prepared to discuss your grant-funded activities.
 - Due to room capacity limitations, we are unable to accommodate more than one person per organization.
