Join CalMHSA at our regional workshops designed to help SUD providers better understand the financing, reimbursement, and operational drivers that impact substance use disorder services. Participants will explore Medi-Cal claiming, payment reform, revenue optimization, claim denials, program sustainability, and fiscal compliance practices that support stronger reimbursement outcomes and long-term organizational success.

WHO SHOULD ATTEND

- Executive leadership, program & clinical leadership, fiscal & finance staff

WORKSHOP FOCUS

- Understanding SUD financing and the Medi-Cal claiming ecosystem
- Payment reform and provider reimbursement mechanics
- Opportunities to maximize legitimate reimbursement
- Strategies to improve documentation, financial sustainability, and fiscal monitoring reviews and compliance
- Practical takeaways, including productivity tools and templates
