AGENDA ITEM 6.0

AGENDA ITEM 6.0 - STATEWIDE COLLABORATIVE CONTRACTING

RECOMMENDATION:
Authorize the Executive Director to negotiate and enter into contracts with behavioral health facilities and/or providers for services to individuals throughout the lifespan, as needed across California’s 58 counties.

CURRENT STATUS AND BACKGROUND:
Member counties are expressing a need for centralized contracting strategies for treatment facilities and/or treatment services, particularly for service types or levels of care that offer treatment capacity that can be utilized by multiple counties. The most recent use case is contracting for youth residential substance use beds but may apply to a variety of types of mental health and/or substance use treatment services. Shared or centralized contracting allows counties and provider both an opportunity to mitigate financial risk and reduce administrative burden.

FISCAL IMPACT
Funding provided by a variety of sources including participating members based on service or bed usage and other criteria.
