

## **Medi-Cal Peer Certification Stakeholder Advisory Council Member**

### **Adelaida Moore | Sunrays of Hope, Inc**

Ida started at Sunrays of Hope, Inc. as a transporter, which lead to Operations Manager, Executive Director and now CFO of the organization. Which she has been able to create seven hourly paid position for peers within the center. As well as provide many learning opportunities and trainings to help empower peer/community members within Modoc County. She is still very much a part in the operations of Sunrays of Hope, Inc. and supervises peer supporters. She sits on the Modoc County Behavioral Health Quality Improvement Committee, Safety Committee, Prevention Collaborative Committee, and Cultural Competency Committee. She started out as an Office Assistant III with Modoc County Behavioral Health Services and is now an Administrative Assistant. Ida's passion is helping others achieve overall whole health and wellness through the support of local services and peer support whenever needed. Ida is always striving to learn new ways and opportunities to help peers and community members achieve their overall goals in life and wellness.
