### **Ashley O'Bryan | Parents Anonymous Inc.**

Ashley aged out of the foster care system as a parent with her own daughter to raise, never expecting to have to experience the child welfare system again - she was wrong. Her journey in advocacy began in 2018 with Parents Anonymous®, Inc. and has brought her to many instrumental decision-making meetings throughout California and America as a whole. Ashley believes any decision that affects parents, children, and youth should include their meaningful involvement in the process.
