Topic	Notes
Roll Call	We asked the Stakeholder Advisory Council members to type in their name and county in the Zoom chat to indicate your attendance.
Housekeeping	We reviewed the ways to raise your hand once called on, how to mute/un-mute yourself when dialed in by phone. We also provided information regarding Spanish interpretation and live transcripts. Also, we reminded everyone to use the Q&A feature so that their questions will be recording in the notes. We also gave everyone the reminder to speak for a maximum of one minute to ensure everyone has a chance to speak.
Meeting Agreements	As a group, we reviewed the meeting agreements that have been previously established – no changes were made.
A Note on the Brown Act	CaIMHSA’s Medi-Cal Peer Support Specialist Stakeholder Advisory Council is not subject to the Brown Act requirements, in recognition of the value of community input, the meeting is open to the public.
Peer Program Implementation Updates	<b>Shelly McDowell-Porter, PhD – Exam Development Project Manager</b> We reviewed with the Stakeholder council members some details of the exam, such as, how the exam will be scored, comparison of scores, no competency for medical billing, and how HumRRO will analyze the test statistics. We also addressed the advise of the council members to create a study guide. The study guide will have same questions, rules for re-testing, and eligibility.
